September, 2017

From the Course...

The maintenance operation is moving along with typical projects and renovations right now. On September 11th we will aerify greens and that will be our last greens aerification until the end of October when we deep tine aerify. The leveled back tees on 6 and 14 are progressing nicely and the new tee on 4 and 16 will be leveled and seeded during the beginning of September.

Some other projects we hope to accomplish yet this fall include some sod around the back of 5 green, some landscaping and rock pile removal near the half way house, planting the final 9 trees to reach the 100 tree goal set in 2016, finish filling in the right bunker on 12, and some small bunker renovations on 12 and 14. We will also be pouring some new concrete and removing some asphalt around 8 tee as we get ready to improve some pond quality late this fall.

From the Clubhouse...

Happy September!

September is a busy month for us with weddings, events and great golf weather. Great things to come.

We are doing a seasonal menu change this week. Starting Friday September 1st we will have these new items on the menu. Jambalaya Pasta, Beer Battered Walleye, Port Wine Pub Burgers, Shrimp Po' Boy, French Dip, and a redo on the Roasted Chicken. We will be doing more items on the feature menu. Look for new sandwiches, appetizers and creative side dishes. We are also revamping the wine selection and that change will be around mid September.

I wanted to give you all the website for the fish company we use for all the fresh fish. There is a nice back story of the company. They catered all the fish for the Olympics and they furnish the best fish to the James Beard Foundation in NYC. I have been using them for over 6 years and they always provide the best products. Check out www.triarseafood.com . And if there is something you see that you would like to try let me know and I can bring it in.

The team and I are currently working on the event schedule for the upcoming months. We have started planning our annual Halloween and New Years events. We are looking to do a couple of Sunday Brunches and we are also planning a Member Guest couples night for November.

It has been a great summer, thanks to all. See you soon and have fun.
